Sam,

Thank you sir! For making the trip and supporting the meeting today. I'm sorry that the meetings grew long in the tooth today. I do look forward to seeing and talking to you again soon!

Thanks Sam your presence and support means a lot!

Regards,

Tom

Hi Tom. Good job at today's meeting. Hope you are doing ok. Sorry we didn't get to spend a little time together afterwards as planned but totally understand that you had another meeting and more. I did have a good lunch and talk with Laurie. We can catch up sometime next week if that works for you. Thanks!
